Parent Information Update

School Uniform for Kindy 2021

Uniforms will be on display from 8.30am – 9.30am (near Pre-Kinder drop off) on Friday 13th & 20th November for parents to check sizing. Our Uniform Shop coordinator will be on hand for any questions you may have.

Parents can order their child's uniform either by completing a Uniform Shop Order Form (available at the Uniform Display or at school office), or alternately you can make an appointment with the Uniform Shop on Thursday 3rd December or Friday 4th December. Orders can then be picked up at the school office.

Kindergarten 2021 Kindy Pathways Transition

The last four weeks of term 4 (Friday 20th & 27th November & 4th & 11th December) will be dedicated to our "Kindy Pathways" transition, wherein the children will spend time with the Kinder 2021 teachers and classmates in the Kindergarten classrooms. During this period the children will start the day in the Pre-Kinder room in the morning and will then move to the Kinder 2021 rooms for a period of time during the day. After their time in the Kinder 2021 rooms the children will return to the Pre-Kinder room for pick up as normal.

Kindergarten Orientation Evening Update

Unfortunately, due to the ongoing COVID restrictions, we are still unable to present an Orientation Evening to parents of Kindy 2021. However, a Zoom Presentation has been organized for Wednesday 25th November. Please note the link will be sent out via parent email that morning for parents to view at a convenient time. The Zoom will be available for two weeks. Kindergarten Packs will be sent home with the Kinder 2021 students on the 13th & 20th November to accompany the Zoom Presentation.¹¹
